

2022-2023 JHS Booster Club Membership

Greetings:

The Jones High School Booster Club is a support organization for academics, athletics and extracurricular activities at The GREAT Jones High School. We cordially invite you to become a member of our **2022-2023 Booster Club**.

This year we anticipate a different experience and new procedures for our athletic and academic programs. Your participation as a member will offer interaction with our students and staff as we build on our commitment to unity in our community.

The purpose of your support is to build the student athletic and academic experience by improving the quality of their environment. We offer a variety of ways for you to be engaged with the school and other organizations on campus. It takes a COMMUNITY to bring awareness and build a solid foundation for our youth.

Membership dues are collected starting **August 1, 2022**. We offer four levels of memberships with various benefits as described on the attached membership form.

Thank you for your continued TIGER support.

Best regards,

Kisha Baker-Williams- Class of 1989
